

# Your AI Quote Agent

## Stop calling people back. Quote them on the spot.

A voice and email AI that answers your phone, parses your inbox, and sends real quotes — using **your pricing rules**. Works 24/7, never misses a call, and gets every quote out within seconds.

### WHAT'S LIVE TODAY

#### PHONE QUOTE AGENT

Andray answers your line, gathers move details, and gives the caller a real price before they hang up. Handles residential and commercial moves.

#### EMAIL QUOTE AGENT

Forward any quote request email to a dedicated address — get back a professional reply in under 30 seconds. Quote ID tracked for follow-ups.

#### YOUR EXACT PRICING

Calibrated against a real Bearded Movers invoice. Bedroom buckets, floor fees, hourly rates, processing fee, insurance — all matched to your rate sheet.

#### SMART FOLLOW-UPS

When a customer replies "what about insurance?" or "make it 3rd floor", the system finds the original quote, adjusts, and resends — automatically.

### HOW IT WORKS

#### CALLER DIALS IN PHONE

- Andray answers warmly
- Asks: home or commercial?
- Collects move details
- Reads back quote on the call
- Sends lead summary to your inbox

#### CUSTOMER EMAILS IN EMAIL

- AI reads the request
- Identifies move type and details
- Calculates price using your rules
- Replies with full breakdown + quote ID
- Tracks reply chains for follow-ups
